

# International Poster Fair: Call for Posters

Enhance your resume, share your experiences, win honors, and become a part of the **Lessons from Abroad Three Rivers Returnee Conference** on **Saturday, October 29** at **Duquesne University** by submitting a poster proposal for the poster session.

---

## Building Bridges

---

Your poster should touch on this year's theme: **Building Bridges**.

Some examples of this include:

- Effective student programming by your abroad university or program
- Informal experiences that created cultural bridges
- Personal experiences/revelations that helped you to bridge the cultural divide
- How your "bridging" skills will affect your employment

In addition to a poster, you should be prepared to speak for 2-3 minutes about your poster.

Please submit your poster proposal to Jesse Phillips ([phillipsj@rmu.edu](mailto:phillipsj@rmu.edu)) by **October 7**.

Your proposal should include your name and home university, a 150-200 word summary of your poster topic, and the location where you studied abroad.

Posters will be judged and the **winners** will be honored  
with a certificate  
and prizes!
